

## **Business Opportunity for the Savvy Business Owner**

Here at Riverlife, we know how to run breathtaking adventures, we know how to throw incredible functions, and we know what makes a wedding unique and unforgettable. We also know, though, that our services are only as good as the coffee that gets us going, and unfortunately, our coffees are currently down and out.

We are in urgent need of someone who can change that for us, someone who can pull us out of our caffeine withdrawal-induced state of despair, someone who knows how to nurture the precaffeinated, someone to feed the hangry, someone ... like you! Please help us. Please!

Sincerely, your Adventurers and Time Ninjas.
